Back-to-school is a very busy and exciting time, for students, parents, teachers, and the community. Education is essential to the quality of life in our society and preparing students for those first weeks when they go back to school is a responsibility we all share.

## ***REBECCA HOUSKE: TRF EDUCATION FOUNDATION STUDENT AMBASSADOR***

Rebecca Houske is the 17-year-old daughter of Robert and Cynthia Houske. Her family includes a sister, Robin, 19, and a brother, Ryan, 15. She is active in hockey, choir, track, managing football, yearbook, National Honor Society and this is her first year elected onto Student Council serving as Senior Class President. Rebecca is also a member of the National Society of High School Scholars, and was chosen to attend the 2011 session of Minnesota Girls State this past June. In March, Rebecca attended Close-up: Washington D.C., a weeklong trip to our nations' capital, which she says was an irreplaceable experience.

Rebecca enjoys volunteering at church and in the community, especially during summer camps. She also directs a youth choir, "God's Chosen" at Zion Lutheran Church from September through May.

Rebecca insists she inherited her grandpa's drive to work hard and always has her family behind her to keep pushing her farther. Because of this she is top in her class and is attending PSEO classes at NCTC this school year. She is currently employed at Farmer's Union of Thief River Falls.

Outside of school, work and activities, Becca enjoys working out, watching movies, being outdoors, and spending time with family and friends.

If we all did the things we are capable of doing, we would literally astound ourselves.
