AWARDS a MONTHLY

"NORTHERN MOTORS TEACHER APPRECIATION AWARD"

Once a month, a Teacher who has been nominated will randomly be drawn to receive a \$150 credit towards any service or product at Northern Motors, a \$200 classroom grant for Supplies in their classroom AND a \$150 gift card to a TRF Area Business of their choice.

How to nominate a teacher/classroom? Any parent (current or former), staff member, teacher, administration or school board member has the opportunity to nominate a teacher and their classroom. All nominations will be held for the current school year for each month's drawing, no need to nominate the same teacher each month. Nominations must have the teacher's name, what classroom/grade and why you believe they are a great teacher. Nominations should be sent to foundation@myprowler.org or nreiersen@myprowler.org.

Congratulations to Carrie Anderson 2nd Grade Teacher on winning the December 2023, "Northern Motors Teacher Appreciation Award."

This is what the person who nominated Carrie said about her.....

"I nominate Carrie Anderson, 2nd Grade Teacher at Challenger. She has come into our building as a new teacher this year with experience teaching in Michigan. She is a wealth of knowledge and is always pushing us to do better. She is patient and kind with kids and adults. She is fun and energetic and engaging in her classroom. Carrie is a planner and a leader for us in literacy. She has stepped in and stepped up helping us plan effective and standards based instruction while making it fun for kids. She is a team player with a positive attitude and we are so lucky to have her wealth of knowledge at Challenger!"

Congratulations!

We want your nominations.....
