2022 TRF/AZ Area Gathering

A little over 50 people attended our get together on January 29th at Las Casa Blanca in Apache Junction. We knew attendance would be down but decided to go ahead with our plans to hold the event. Winter visitors included individuals from

Minnesota, South Dakota, North Dakota, Illinois and Wisconsin as well as many from Arizona who are now residents of the State. It was a nice sunny day as usual for our gathering.

Judy Nelson along with sister-in-law Evie Moor have volunteered to take over the organization of the food for the 2023 event. This year we just served barbeque with chips so there was little personal contact with food. We are appreciative as always for the TRF Education Foundation offering door prizes for this event. Board Member, Al Buhl, shared updates on the Foundation and how great it is growing and the huge number of

students receiving scholarships. He and his wife, Susan, along with help from Dana Jenkins, handed out the door prizes to individuals attending.

We passed around a couple of cards for individuals to sign as one of our mainstays, Bob Protz, was unable to attend due to his daughter being unable to bring him. He is the Class of 1943 and he has been at every gathering since I started attending many years ago.

Many thanks to the following volunteers who were instrumental in the success of another gathering: Karen and Don Hanson, Al and Susan Buhl, Dana Jenkins, Judy Nelson, Diane Beste, Adella Mortenson, Mary Jo Olson and Jeanne and Dave Cloutier.
