Grant Spotlight

"Classroom Fitness in 4th Grade"

In Mrs. Hegge and Mrs. Hanson's 4th Grade Classroom's the students are excited about having some extra fitness for not only their minds but their bodies as well. Both classes make "Workout Wednesdays" and "Fitness Fridays" a priority for their brain and body health. The classes use two fitness companies to stream workouts with the weights, resistance bands, yoga mats and floor slide discs purchased by grant dollars.

AWARDS a MONTHLY

"NORTHERN MOTORS TEACHER APPRECIATION AWARD"

Once a month, a Teacher who has been nominated will randomly be drawn to receive a \$150 credit towards any service or product at Northern Motors, a \$200 classroom grant for Supplies in their classroom AND a \$150 gift card to a TRF Area Business of their choice.

How to nominate a teacher/classroom? Any parent (current or former), staff member, teacher, administration or school board member has the opportunity to nominate a teacher and their classroom. All nominations will be held for the current school year for each month's drawing, no need to nominate the same teacher each month. Nominations must have the teacher's name, what classroom/grade and why you believe they are a great teacher. Nominations should be sent to foundation@myprowler.org or nreiersen@myprowler.org.

We want your nominations.....
NOMINATE YOUR FAVORITE TEACHER
at Challenger Elementary School, Franklin
Middle School or Lincoln High School!

Congratulations to Julie Olson Kindergarten Teacher on winning the first monthly "Northern Motors Teacher Appreciation Award."

This is what the person who nominated Julie said about her.....

My nomination is Julie Olson in Kindergarten.
I nominate her because she is kind, caring, patient, and passionate about her job. She puts in time before/after school hours, is on different leadership committees, teaches Booster, and advocates for the needs of the kids even when it may be a tough conversation. Julie is very deserving of this award and is a wonderful member of CES.

Congratulations!
